

Maple Springs Bible Camp

Leader In Training Application Information

Are You Ready To Make A Difference?

God has used Maple Springs Bible Camp to introduce thousands of children and young people to Jesus Christ. We strive to give each camper an opportunity to experience unconditional love, fun and excitement, laughter and joy. More significantly, we want to challenge children to respond to Jesus Christ's invitation to "Follow me."

We believe that Christian Camping is one of the most effective tools of evangelism in Canada today! If you have a passion for God and a desire to serve Him by loving children, MSBC may be the place for you. This year we have many Leader In Training opportunities for those looking to expand their leadership skills in a practical and hands on way. Don't let this summer pass you by without making the most of it. Follow His leading and be a part of what God is doing in the lives of others... He is able to use you beyond your wildest dreams!

The **LEADER IN TRAINING** camper program is a fantastic way to prepare for a full summer of service at camp as a Jr. or Sr. Leader! MSBC is looking for young people who can demonstrate an ability to quietly serve others with joy, without seeking attention or glory. The Leader In Training camper program may challenge you more than you have ever been challenged before, but it may also be one of the most powerful experiences of your life. L.I.T. 'grads' will be given preference for Summer Volunteer positions in the future.

WHAT CAN YOU EXPECT FROM SERVING AS A LEADER IN TRAINING?

Work Experience– Work crew members work hard during camp. Cleaning dishes (285 place settings daily!), toilets, sinks, and floors takes up a huge part of every day (don't think you are coming to camp for a holiday!). Yet, in the midst of all this, there will be time every day for recreation– swimming, hiking, riflery, and more! Your day will also include laughter, spontaneous fun, and many new relationships that become deep and rich as the days go by. A friend once told me that camp is the place with the longest days and the shortest weeks! You'll know what she meant if you participate in the great program!

Spiritual Growth– You will be challenged and stretched as you build relationships through daily activities, Bible studies, and discussion times. You will be asked to go beyond your normal limits, and as you do so you will be able to see God work in and through you. Whatever the summer brings, it will provide ample opportunity for you to trust God more.

Skill Development– Maple Springs Bible Camp places an emphasis on skill development. You will have the opportunity to learn, participate, and lead a range of different activities.
